Yes-(for all 3 locations) I vote yes but would like to know what kind of light, the cost of them, is there Ameren incentives for them. I think this is a good thing because lighted area are welcoming to potential home owners and a deterrent to criminal activity.					
Yes- (for all 3 locations) We need street lights on Summerland.					
Yes-(for all 3 locations) If they are bustops.					
No-(for all 3 locations) Not Necessary					
No - (for all 3 locations) I would try stop signs first.					
Yes- (for all 3 locations) I don't know which of these intersections are bus stops, but I would say yes to those intersections that are bus stops.					
No- (for all 3 locations) Save the money.					
Yes- (for all 3 locations) We also need more street lights. People are breaking into the parked cars and my neighbor's vehicle was stolen. Streetlights make house cameras pick up surroundings easier by our houses. Sometimes we need more than just our house lights.					
Yes, No, yes- Main entrance dangerous in winter. Terrain visibility good. Lower terrain visibility.					
Yes- (for all 3 locations) Way too dark.					
Leave up to board (Yes or No not indicated)					
No- (for all 3 locations) I love how dark it is & that we can see the stars.					
Yes- (for all 3 locations) Definitely, as it is limited at night with no lights hardly in the subdivision. The more the better/safe/theft.					
I don't live close to any of them so it's immaterial to me. Other need to make that decision. (Yes or No not indicated)					
Yes- (for all 3 locations) I wish we had several street light. I would like to know the cost beforehand.					
Street lights should be added wherever possible. Are we looking at solar powered street lights? (Yes or No not indicated)					
Not familiar with it? (Yes or No not indicated)					
Yes- (for all 3 locations) Very dangerous not having any street lights.					
Yes- (for all 3 locations) The more lights, the safer it feels.					
No- (for all 3 locations) If I lived on one of these corners I would not want a light shining in my house at night.					
For over 40 yrs I paid for a dawn to dusk light. I just can't afford to pay any more so I turned it off on my corner. Sorry. (Yes or No not indicated)					
No- (for all 3 locations) The money needs to be used for street repairs.					
No- (for all 3 locations) The charm of the neighborhood is the lack of lights - our nights are beautiful here because of the stars & sound of nature.					
No- (for all 3 locations) Money allocated for street could be better used for road maintenance.					
I don't know. (Yes or No not indicated)					
Yes- (for all 3 locations) Question Does this cost more money & who pays for it?					
No- (for all 3 locations) Lighting seems adequate.					
Yes- (for all 3 locations) This would be very good.
